CHLOE & ASHLEIH

Most best friends go out shopping and have a natter over a glass of wine over a long lunch, but that's not what Razzle besties do! "Ashleigh and I skip the shopping, down wine by the bottle and then enjoy eating pussy for our lunch!" Chloe giggles. "We're not lesbians, in fact we've both got boyfriends at the moment, but there are things that we do to each other and buttons that we know how to push that a man just can't, or doesn't know how to!" Ashleigh explains to us whilst also revealing how Chloe is the only person that can make her squirt when she comes!

DRIVE ME CRAZY!

It was a lovely sunny day just recently so my husband and I decided to go and take some photos. The car had been playing up a bit but seemed fine as we went into the country to find a secluded spot. I had really got myself into the mood by undoing a few buttons of my dress and exposing my stocking tops and shaven pussy to Phil as we drove along. Judging by the bulge in his trousers, he was turned dirty bugger was as turned-on as I was.

PHIL CAME UP BEHIND ME AND FED HIS COCK UP MY SWOLLEN CUNT

We parked the car and took several photos of me outside the car. Then I climbed into the back seat on my hands and knees and stuck my arse in the air. I gasped as I felt Phil's fingers probing my moist slit. When he replaced his fingers with his tongue I had the most fantastic orgasm and screamed aloud.

As I came back down, I opened my eyes and gasped in horror as I saw a guy was standing watching me a few feet away in the bushes. I turned to tell Phil that someone was watching but when I looked again the guy had disappeared. Phil didn't seem to believe me and said it was just wishful thinking on my part.

I was angry that Phil didn't believe me but also turned on because the peeper was really dishy. Phil got back down on his knees and started to tongue my bumhole and pussy again. Then he paused and called out, "If you're out there, why don't you come and join us?"

I was panting as I felt another orgasm brewing, when I heard the bushes rustle again. The guy came back into view and this time he was wanking his large cock. I was astonished by the size of it and I beckoned him over. He stood in front of me and offered me his large his cock to suck. Quick as a flash, my lips were round it.

Phil then stopped licking my cunt and said he wanted a photo of my arse. It was his turn to gasp when he saw me sucking away on this bloke's huge tool. "You horny bitch!" he shouted, before taking a photo.

I heard the sound of his zip and felt his gorgeous cock probing at my cunt hole and I was so wet he slid in right up to his balls. I was in ecstasy as I was fucked at both ends and I didn't want it to end. After a few minutes, though, I felt the stranger stiffen and begin to pump wads of thick cum down my throat. Phil erupted inside me just seconds later. Once they had both subsided I got out of the car and we introduced ourselves to the bloke (he was called Ian) and asked if he wanted to watch the rest of our photo session.

He said he'd rather join in and we spent the next hour or so with me being fucked in every way imaginable and Phil snapping away with the camera. I've never met a guy with as much staying power as Ian and even when he came for the fourth time he was hard again after I'd sucked him for a few minutes.

When we had to go the car wouldn't start and as Ian tinkered under the bonnet I gave his cock another suck. Phil came up behind me and fed his cock up my swollen cunt. I was being fucked at both ends again, and I felt satisfied.

Ian is coming to stay soon and has asked if he can bring a mate along. I can't wait. We've sent in photos but we think they're going to be too rude to publish!

Please take a moment to admire what might just be the most perfect set of knockers we've ever seen! We said take a moment, not whap your cock out a jizz all over Lucy's luscious mounds! "They're definitely my weapon of choice when I'm on the prowl for a man." Lucy tells us. "If I wear a little mini skirt and a tight low-cut top there's not a man out there that I can't turn into putty in my hands. And by the end of the night they'll be rewarded with the best tit wank of their life, and I'll even let them finish off over my face!"

What does remain the same is that gorgeous tight arse of hers and those suckable pert little tits making her perfect wank fodder for any red-blooded human. "The thought of guys and girls wanking over our naked photos is the reason why us girls want to appear in your magazines, knowing that I've made someone wet or hard is such a turn on for me."

TRUE CONF

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

HAVE YOU EVER HAD A THREESOME?

Once I went out clubbing and ended up going home with two blokes for a night of red hot sex. They fucked me ragged and I loved every minute of it.

Their names were Ryan and Nick. They were both a couple of years older than me and, I was later to find out (to my delight!), were very well endowed. I got chatting to them in this seedy club and they bought me a load of drinks. I couldn't decide which one I fancied most, so I snogged them both. Then Ryan asked if I wanted to come back to his place for a threesome with the pair of them. I had the horn big style and jumped at the offer.

As soon as we got in the door, they were standing either side of me scrambling to get my clothes off. Everything came off in a flurry and their hands ran all over my body, rubbing across my nipples and slipping inside my moist pussy. Then they both stripped to their boxer shorts and sat side by side on the sofa, hard-ons poking through their boxers.

I got on my knees and started sucking on Ryan's cock, which was enormous – a little bit longer than Nick's and a bit fatter too. I wrapped my fingers round the base of his cock and wanked him off while I sucked the top half of his shaft and his helmet noisily and enthusiastically. After I'd sucked Ryan off for a little while, I moved across and started giving Nick a blow-job. I alternated between their two hot cocks, sucking one at a time while wanking the other one off with my free hand. They were moaning with pleasure and telling me what a dirty slut I was and how they were going to fuck the life out of me. I looked up at Ryan and told him to stop talking and start porking. He smiled, and I continued to blow Nick's dick while Ryan got up, removed his boxers and got in behind me.

I felt him begin to explore my pussy with his mouth. He ran his tongue up and down my slit, pushing it inside my creamy hole and nibbling my puffy cunt lips. He reached round with his hand and started to rub my clit, which was hard and sensitive. This felt great, and in between mouthfuls of Nick's cock I groaned and sighed appreciatively. As I was licking and nibbling Nick's balls, Ryan switched his attention to my tight arsehole. He slid a couple of fi ngers inside my cunt while he licked my ringpiece. He pushed his tongue right up against my puckered arse, making me squirm with pleasure. Before too long Ryan made me cum, my juices covering his fi ngers and running down his wrist.

Then Ryan told me to fuck Nick. I got on top of him as he sat on the sofa and he eased his cock into my slippery pussy. I started riding him, shoving my big tits in his face so he could suck my nipples. As I rode Nick, I felt Ryan probing my arse with a finger. First he stuck his finger in my pussy alongside Nick's cock. Then he lubed up my hole with my own juices and started fingering my arse.

He told me I was going to get double fucked. I could hardly stop myself crying out with pleasure, horny with anticipation and mad with lust. I'd been fucked up the arse before (I love it!) but I'd never had DP, only dreamed of it. And here I was about to get it, hard!

I leaned forward against Nick so Ryan had access to my arse. He nudged his cock against my arsehole and with a bit of pushing he was inside me. He eased himself fully in and then started to pump. I bounced up and down on Nick as Ryan pulled his big cock out of my arse and pushed it back in hard and fast. I had never felt so utterly full, filthy and fulfilled in my life. I was having orgasm after orgasm, both my holes clamping around the boys' cocks. I was also screaming my head off, shouting and screaming. Nick and Ryan were telling me what a dirty bitch I was and how they were going to fuck me all night.

Ryan was the first to cum, shooting his load deep in my arse. Then I climbed off Nick and wanked him off into my mouth and over my face. They were true to their word – they did fuck me all night and I had cum leaking out of my cunt and arse all down my legs by the end of it

TRUE CONFESSIONS

DO YOU USE A DILDO?

Yes, I've got three dildos. I've got a multi-coloured seven-incher (my best friend in the bath), a smaller one which I keep in my handbag and a 12-inch beast which I get out for special occasions. I'm looking to invest in a strap-on of my own, hav-ing been on the receiving end of one recently (brilliant!).

I work part-time as a barmaid and glass collector in a nightclub. It gets really busy, so it's quite hard work and dead knackering. We get a couple of breaks a night, during which most people have a drink and a fag and whatever. I, on the oth-er hand, need a very special kind of pick-me-up. I go into the staff ladies' toilet and take my bag with me. Locking myself in a cubicle, I get my small battery powered vibrator out of my bag. I'm usually quite excited by now, so I pull my tight black leggings down around my ankles quickly. I yank my G-string down as well and perch myself on the toilet seat.

I have usually been thinking about doing this for most of the evening, so I am already excited and wet. The thrill of doing something illicit and the possibility of being caught also turn me on, so my cunt is really juicy and I don't need warming up. One hand goes straight to my clit and starts rubbing it fast and hard, while with the other hand I guide the vibro to my sticky entrance and slide it inside. I grip the base of the dildo between finger and thumb so I can move it in and out of my pussy really quickly while I frig my clit. It is only a small dildo, but it vibrates quite powerfully, sending beautiful sensations through my pussy. As my orgasm approaches I keep the pace up, my body quivering and my cunt spasming wildly.

Sometimes someone will come in and use the toilet while I'm in there. This gives me a big thrill and I have to bite my tongue to stop myself from crying out, especially if I actually cum while there is someone else in the room. Usually, though, I am free to moan and groan as loud as I like.

It's a bit like quickie sex when you know you've got to do it as quickly as possible – I am really turned on and I don't have much time so I make myself cum as fast as possible. It's a quickie wank.

Other times, if I am feeling really daring, I keep my vibro in the waist pouch I wear as part of my uniform. If I'm on my own behind one of the bars I can turn on the vibrations so it is buzzing in my pouch, which hangs down below my waist. Then, when I press myself against anything solid while I'm serving, the vibrator buzzes against my clit.

When I'm collecting glasses I often do this, pressing myself against the corners of tables while I pick up the empties. It is a small discreet vibro, and inaudible against the music, so nobody can tell what I'm doing. But it is still very naughty and very nice!

I'm still trying to pluck up the courage to find a dark corner and actually fuck myself with my dildo while I'm working and the nightclub is full. That would be a major turn-on!

Michelle, Bolton

HAVE YOU EVER HAD A LESBIAN EXPERIENCE?

Quite a few actually! I'll tell you about my recent escapades on the end of a strap-on. I have a number of girl friends who are occasional sleeping partners too. They are just like other friends, only they are friends who fuck.

I was with one of them, Debra, at my flat. I was feeling quite horny, I had invited her round for a chat, a bottle of wine and some girl-on-girl fun. When she got to my place she told me she'd brought something along that I'd like, but I'd have to wait for it. So we opened a bottle of red and started yacking. After the first bottle we opened another, put a video on and retired to the sofa.

After a while Debra put her glass to one side and sat on my lap. Her lips met mine in a soft kiss and she ran her hand through my blonde hair. I put my hand on her leg and slid it up the inside of her thigh and up her skirt till I could feel the warmth of her pussy through her knickers. I pulled her skirt up around her waist and yanked her knickers to one side so I could get at her moist gash.

I slid a finger inside her box and worked another one in alongside it. As I fingered her, Debra moaned softly and squirmed on my lap. Then she got off my lap and told me to undress and turn around. I did as I was told, peeling my clothes off in front of her. She sucked my nipples hard and told me to get on all fours on the floor. From the corner of my eye I saw her fetch something out of her bag. The next thing I knew, she was standing over me wearing nothing but a big black leather-fastened strap-on. I felt a sudden, heady rush of excitement as she towered over me, inviting me to suck her 'cock'. I took it in my mouth, giving it a good coating of saliva.

Then Debra got behind me and, with a brusque thrust, drove the prosthetic dick straight up my slippery cunt. The suddenness of it startled me and I let out an involuntary yell. It felt wonderful, though, and Debra was soon pumping it in and out of me, giving me the full eight inches and treating me to a thorough fucking. She reached around and pinched my sensitive nipples hard. She knows I love this, and it really got me going. I told Debra I was going to cum, and she kept thrusting deep as my cunt clamped around her cock and juice spilled over it. When I'd cum, Debra pulled out and I turned round to suck my juices off her strap-on.

I loved the sensation of being fucked by a woman with a strap-on – Debra gave me a royal seeing to and made me cum buckets. Later I got to try out the strap-on on Dani, repaying her by giving her one upn Dani, repaying her by giving her one up the arse while I had four fi ngers buried in her juicy snatch. Any girls out there

THE BIRTHDAY BUMPS!

I stuffed my cock in her face as a stranger applauded

I just love sucking cock, especially after it's been up my cunt with all my juices on. I said to my boyfriend I would love to see him fuck another woman so I could suck his cock afterwards and taste he other woman's juices on it.

It was my boyfriend Glenn's birthday and I had made plans to go out clubbing (little did he know a female friend of mine called Kate would be there). He guessed I was up to something as I had my short black dress on and no knickers.

We got to the club and had a few drinks. I said to Glenn that I wanted to go and dance. He said OK, and off I went. After about ten minutes of dancing I felt a pair of hands clasping round my waist and felt someone dancing seductively against me. I knew who it was but Glenn had no idea and was looking quite shocked. I carried on dancing with Kate. After a couple of dances I was so juiced up I had to go to the toilet and of course Kate followed me, winking at Glenn as we passed him. Kate pushed me into the toilet cubicle and told me to sit on the toilet cistern. She spread my legs and licked my cunt until I came in her mouth. She came up and kissed me full on the mouth and I could taste her juices on her tongue and lips. We both looked at each other and knew it was time to leave. So Kate went over to Glenn and told him that we wanted him to come home with us. We all got into a cab and went home.

When we got home we hadn't even got in the door before Kate and I were ripping each other's clothes off and ramming our tongues down each other's throats. By the time we had got into the lounge Glenn was sitting in the chair wanking his big throbbing cock. Me and Kate went straight over and both took a bit of his cock in our mouths.

Kate licked one side and I licked the other. Every time we got to the top our tongues would meet and we'd share Glenn's pre-cum. He had a look of sheer bliss on his face.

We were all so horny that we moved onto the floor and Kate got on top of me in the sixty-nine position. I had my first taste of another woman's pussy, and I just didn't want to stop licking it.

She must have liked what I was doing because I felt her shuddering and before I knew it her sweet love juices just poured into my mouth. I closed my eyes and lapped it all up, and when I opened them again Glenn's cock had entered Kate's cunt.

I could see his cock sliding in and out of her, glistening with juices. I flicked my tongue over his balls and they felt like they were almost ready to burst, so I started to lick Kate's clit to make them cum together. Kate urged Glenn to fuck her harder. Glenn fucked Kate for all he was worth and shot his load straight up her. She must have cum as well, as when Glenn withdrew from her his cock was covered in sweet juice.

I licked Glenn's cock clean of cunt juice and then licked the rest out of Kate's cunt. Kate stayed over and you can imagine how the night was spent. If there are any readers who would like to join me, I'm open to offers. *Yasmin, Essex*

DIRTY WEEKEND

My wife and I recently went to a hotel for a dirty weekend away, hoping to fulfil my fantasy of watching Linda with another man.

When we arrived Linda went for a shower leaving the door open. I was unpacking in the bedroom when these two maintenance guys walked in. They introduced themselves as Chris and Dave, and said they'd come to fix the window in the bathroom. I told them my wife was having a shower in the bathroom but would be out soon. I went off to the bedroom, but I looked back and saw the two guys watching Linda showering through the open door.

She was rubbing soap over her tits and

pussy. Linda looked at the two blokes and smiled. She asked them if they'd like to join her. They were a little taken aback, and Dave said, "What about your husband?"

Linda told them it was OK because I liked to watch. Dave and Chris hesitated slightly before pulling off their clothes and getting into the shower. Dave had a massive cock - it must have been nine inches long, and thick with it.

Linda had a look of pure lust on her face. She knelt down and started to wank him off. She licked his balls and shaft as she did it, before taking the tip into her mouth. Chris pulled Linda's bum up and pushed his cock into her pussy. I was standing by the door wanking myself off as I watched Chris hammering into her and reaching round to massage her tits.

Dave pulled his cock out of Linda's mouth, directing jets of cum all over her face. At the same time Chris came in my wife's cunt. Her muscles sucked his spunking cock dry before he pulled his cock out. Linda then looked at me and told me to lick out her hot pussy. My head went straight down between her legs, licking up cum and love juice as it leaked from her cunt. The guys changed position and Dave fucked her pussy sore.

RANDY MAN!!!

My neighbour Mark is a handyman by trade, and last week I got him round to put up some shelves in the spare room. I went and made him some tea. My husband was away, and I couldn't stop myself thinking about getting a cock up me.

Mark sat on the bed to drink his tea. I sat down next to him, and decided to go for the obvious approach.

Putting my hand on his knee, I told him in that I needed to fuck him. I then slid my hand up his thigh towards his cock, and he didn't attempt to stop me. He stood up and I unzipped his jeans and pulled out his cock. It was nice and thick, and growing by the second. I stuffed it into my mouth and started to suck him off. I rolled my tongue round his shaft until his cock was as stiff as a board. Then he pulled his slippery cock out of my mouth. He lifted me up by my arms, turned me round and bent me over the bed.

I couldn't wait to feel his fat cock stretching my moist cunt, and I stuck my arse out invitingly. He rubbed his helmet around my hole before easing his fat head in. It felt fucking great as he slowly inched his dick into my warm pussy. When he was in up to his nuts, he pulled out and began fucking me with long deep strokes.

I must have cum ten times before he pulled out and shot over my arse. I've found loads of excuses to get him round since then!.

We were a little bit late turning up to Lacey and Sonia's photo shoot and by the time we finally arrived there was a strong smell of sweat and pussy juice in the air! "You can't get cross with us for having a good time in your absence," Lacey chirped up. We were very apologetic, and the girls forgave us by putting on a dildo fucking display that we'll never forget!

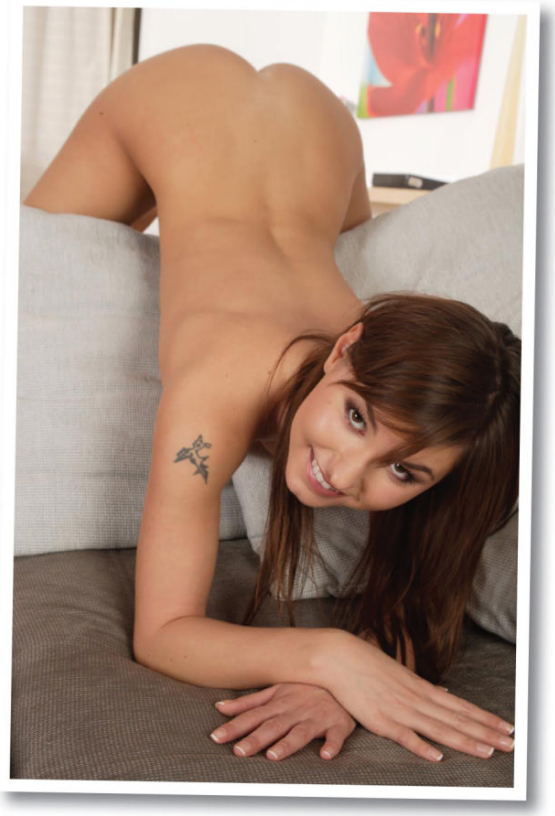
WHERE DO YOU GO TO PULL?



The thing about pulling is that you can do it anywhere. If I see someone I like the look of, I will have a crack at them wherever I am. You would be surprised at some of the places I have pulled – at the bus stop, out shopping and once even at a museum.

Having said that, my favourite place to pull is out on the town like everyone else. Whenever I go out I always dress to kill. I go for any kind of tight top, and never a bra. I like my tits to be packed in nice and tightly so my cleavage bulges and my nipples poke out like rivets. I always wear a short skirt and a lacy G-string. To set it all off I wear knee-length fuck-me boots. Sometimes I go for stockings and suspenders, sometimes I go bare-legged.

When I walk into a room I am always the centre of attention. Dressed like a tart with my long blonde hair and big tits, every pair of eyes in the house checks me out. By the time I have sauntered over to the bar shaking my arse, I know I could have any bloke in the place, and half of the women. I have to admit this is a big turn-on.

Last time I went out clubbing I got a good fuck for my troubles. I was dressed particularly filthily – I had the tiniest of skirts and tops on, with my tits nearly bursting out and my panties almost visible. After a few drinks I was dancing away with about 10 blokes around me. I was really showing off, grinding right down to the floor so they could see my thong up my skirt and jiggling my tits about like a couple of jellies on a washing machine.

As I worked myself up into a lather I decided which bloke I would have. When I was good and ready, I danced over to the guy I'd selected, a tallish bloke with dark hair and nice dark eyes, and thrust myself up against him, grinding my body into his. I could feel his cock was half way to a hardon already, and it felt satisfyingly sizeable. I bulldozed him off the dance floor and up against the wall, shoving my tongue down his throat and my hand down his trousers. He was a bit stunned, but he soon got over it and started to squeeze my arse and push his growing cock against my moistening pussy.

I got my hand round his thick length and tugged him off slowly and teasingly, cupping and fondling his heavy balls every now and then. His hands were roving all over me, rubbing up against my cunt and groping my tits. He slipped his hand up my skirt and inside my panties. Two fingers slid straight up my juicy entrance and I gasped as he entered me. I allowed him to finger me for a while, enjoying the feeling until I was so worked up I'd settle for nothing less than a fuck.

I pulled my fingers away and put them in his mouth, and then mine. Then I whispered in his ear that I was going to take him outside and fuck him. Taking him by the hand, I led him to the exit and we walked out past the smirking bouncers into the fresh night air.

I led him to a seedy back-alley not far from the club. I used to go there to drink my cider as an under-age teenager. I pushed him up against a wall in the half-light of a distant street lamp and started unbuttoning his flies hurriedly. As I did so he undid the ribbon at the back of my top and took it off. It fell to the floor as my large, round tits sprung free with both nipples fully erect.

As I wrestled with his jeans he got his mouth around my nipples, sucking, nibbling and licking them both. I got his jeans around his ankles and he kicked off his shoes so I could get them right off. Now on my knees, I dragged his undergarments off him so he was standing there in the alley in just a shirt, his giant boner casting a shadow across the tarmac. He had really big bollocks and I started on them, licking all round his sack. Then I took one of his balls in my gob and rolled it round my mouth, munching very gently on it and massaging it with my tongue. He loved this, sighing with pleasure and running his fingers through my hair. Then I kissed his shiny helmet and started pulling him of with one hand while I sucked and licked his bell-end. I opened my wet mouth wide and bobbed up and down on his helmet, tickling his frenulum with my tongue and all the while wanking his shaft. After a few minutes of that, I gave him a dozen or so strokes of deep throat, taking his cock down me till my nose touched his stomach. After that he was more than up for a shag.

He picked me up off the floor and got me up against the wall. He yanked my skirt roughly up around my hips. Then he pulled my flimsy knickers round my thighs and

visit www.paulraymond.xxx

literally ripped them off from there, tossing them onto the pile of clothes and shoes in the middle of the alley.

He lifted me up and I wrapped my legs around him so I was off the floor. His cock found my sopping cunt hole and he thrust it inside me right up to his balls. I let out a gasp as his cock went up me. It was long and thick and it stretched my leaking hole wide.

He started ramming his dick in and out of me. I urged him to greater efforts by digging my heels into his bum, like some sort of knight spurring on a stallion. I felt an orgasm welling up inside me. I made sure he kept the pace going as my orgasm built up, and I dug my nails into his bare back as my climax finally came. My cunt clamped round his cock as my juices spilled over his shaft and ran down my arse crack.

Quick as a flash he turned me round so my hands were flat against the wall with my arms straight and my arse out, police search style. He worked a finger up my arse, using my cunt juice to lubricate it. Then he got on his knees and started tonguing my arse out. He licked my spasming ring as I squirmed with pleasure. Then he straightened up behind me and the hairs on the back of my neck stood up as he rested his bell-end against my arsehole. Taking a firm hold of my hips, he slowly forced his cock up my arse. I pushed back against him till he was all the way in. If I thought my cunt had been full, it was nothing compared to how my arse felt now. I cried out with pleasure and excitement as he started sliding his cock in and out of my arse.

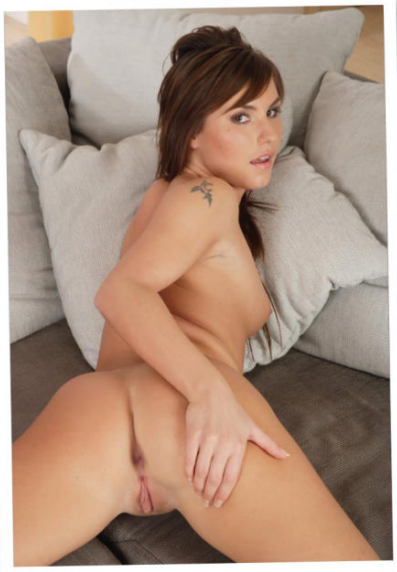
He fucked my bum hard for a few minutes before announcing he was going to cum. Feeling like a total slut, I told him to cum in my arse. He did as he was told, grunting and burying his cock in my arse as he released wave after wave of warm cum. When we'd finished he stuffed my torn pants in his pocket as a souvenir, and I walked home with cum dribbling out of my arse and down my legs.

I still get horny now when I picture the scene, me and this stranger fucking like a couple of stray dogs down a dirty alley in the early hours. Filth!

Helen, Sunderland

HAVE YOU EVER TASTED PUSSY?

I had my first lesbian experience just over a year ago. A big group of us had gone down to Bournemouth for a week in the summer. We stayed at this campsite and went to the beach every day and on the piss every night.



Anyway, after one boozy night I got back to my tent only to find two of my mates, Mark and Suzie, in there. I bundled in pissed up and jumped on top of them. They were both wedged in the same sleeping bag naked and looking a bit flushed.

"Don't mind me!" I said as I rolled off them. They were dead drunk, too, and they weren't shy so they started kissing again. Mark started to caress Suzie's small, firm tits. I was getting very turned on watching them, illuminated by the powerful striplight on my torch. My pussy was aching for some attention, so I slid a finger between my legs and started bringing myself off as I looked at my friends getting it on.

Then, wanting something more but not knowing quite what, I slowly began unzipping the sleeping bag Mark and Suzie were in. They made no attempt to stop me and they didn't stop on each other either. The zip came all the way down, slowly revealing more and more of Suzie's milky white body as she lay on top of Mark.

Her round bum came into view and I could make out the mound of her shaven pussy between her legs. I zipped the sleeping bag right open and pulled it flat so they were lying on it like a blanket. Suzie was lying on top of Mark with her tits in his face, and he was sucking them noisily. Suzie's soft white skin and firm arse looked so appealing, I couldn't help myself reaching out and stroking her, still playing with my cunt with the other hand. My finger traced all the way down her back and between her arse cheeks till I found her warm, moist pussy. I opened her lips and slid a digit inside her cunt. I'd only ever done this to my own pussy before.

Then Suzie turned her head to me, Mark still sucking her tits, and started snogging me. I shuffled right up against the two of them and started to finger Suzie more vigorously, shoving two fingers up her soaking cunt hole. She was going wild with lust. Then she got off Mark and went down on me. Her wicked tongue did amazing things to my cunt and she soon made me cum while Mark watched and wanked. Suzie licked up my juice and kissed me so I could taste it.

Sensing it was my turn, I went down between Suzie's legs. I kissed all the way down her stomach till I got to her pussy. Tentatively I licked her slit. It tasted sweet and felt sexy. Getting into it, I strained to get my tongue deep in her cunt, and I nibbled her puffy lips. Then I spread her lips and licked all round her clit with my tongue To my delight, I made Suzie cum after a few minutes. Just as I was gulping down her juice, I looked up to see Mark shooting his load in Suzie's face. It was a thoroughly horny experience to lick up her cum and watch her swallow Mark's at the same time.

The next day we got the piss ripped out of us for making such a racket, but that didn't stop us doing it again a couple of nights later – and I've been into girls ever since!

LIBERAL PARTY!

My name is Heather and my husband's name is Pete. We're both very liberally minded and horny fuckers, and we love to fuck with different partners and other couples.

As I travel a lot with my job I often have to stay in hotels. I get loads of chances to meet up with other guys, fuck their brains out and then tell Pete all about it when I get home, and receive an even better fuck for my trouble.

I must tell you about my latest fuck away from home. His name was Ross and he'd chatted me up in the pub where I was having lunch, and we'd arranged to meet later in the bar of my hotel.

I couldn't wait, and my cunt was soaking wet as he told me he was a squaddie and would meet me in uniform. Now, if there's one thing I know after fucking several of our forces boys is that they fuck like beasts and can fill a girl with salty cum all night long. Oh yes, I was looking forward to our meeting.

Anyway, he turned up dead on time and as we chatted and drank he kept glancing at my short skirt. He was admiring my freshly shaven cunt glistening with love juice. He said he couldn't wait to screw the arse off me, now!

We literally ran up to my room and once inside he pulled me towards him and pushed his tongue deep inside my mouth and kissed me with so much passion that my knees went weak.

I knelt down in front of him, undid his zip and pulled out his big thick swollen cock which was covered in lovely sweet precum. I put my warm mouth around Ross's knob, licking and sucking his cock until he was panting like a dog.

I could feel his heavy bollocks banging under my chin, just about ready to explode. With a loud cry of sheer pleasure, he shot his hot creamy load deep into my throat and I greedily gobbled it down. We both then ripped off each other's clothes and Ross threw me on the bed.

He stroked and caressed every part of me, but I couldn't wait long to be fucked by him. My nipples were bullet-like under his mouth as he sucked and nibbled them. I shuddered in anticipation of what was to come as Ross kissed my stomach, then inched further down onto my thighs and finally to my soaking wet cunt lips. He parted me gently with his fingers and sucked my clit with real finesse. His fingers probed eagerly in my love hole. I was near to cumming when he quickly inserted his thumb straight up my arse, and I came so violently I thought I would die with pleasure.

I knew then that I wanted him inside me. I got on all fours and helped guide his rigid cock into my soaking cunt. It felt huge as he rocked back and forth pushing it in as far as it would go, causing my cunt to pulsate in orgasmic pleasure. Sweat was pouring off us both as Ross pumped away, playing with my swinging tits and slapping my arse in time with his thrusts.

I then went rigid as my orgasm arrived. Ross pulled out his slippery pole and shot his load all over my arse and back. We just collapsed into a heap and grinned at each other as we caught our breath.

After a while we started again. I took his hard cock between my warm lips and began to suck him until his helmet started to throb. I then pushed him on his back and straddled his glistening member. I sank onto him and rode him like I'd never ridden anyone before. Totally fuelled by lust, he cupped my bouncing tits in his hands and played with my rock hard nipples. My pace quickened and I bumped and ground my hips down on Ross's lovely fat cock. I sensed that he was about to cum as he reached for my clit and began to wank me furiously.

I slammed my arse back against him in time with his wanking and we were both reaching the end of a fantastic fuck. I yelled out as I felt my orgasm spasming between my legs. Ross then pulled his cock out and sprayed me with hot salty man-fat.

We were totally and utterly shagged out, but I managed to get enough energy the next night when I told Pete all about the previous night's lust.

Honey – she's sweet, sticky and can be spread easily. Sounds like our kind of breakfast. "The morning is when I'm at my horniest. A frantic fucking over the dining table sets me up for the day. I love turning up at the office, having to sit in a meeting and feel hot cum oozing slowly out of my pussy! All I can do is think about how I'm going to get another gooey load in my cunt when I get home in the evening!"

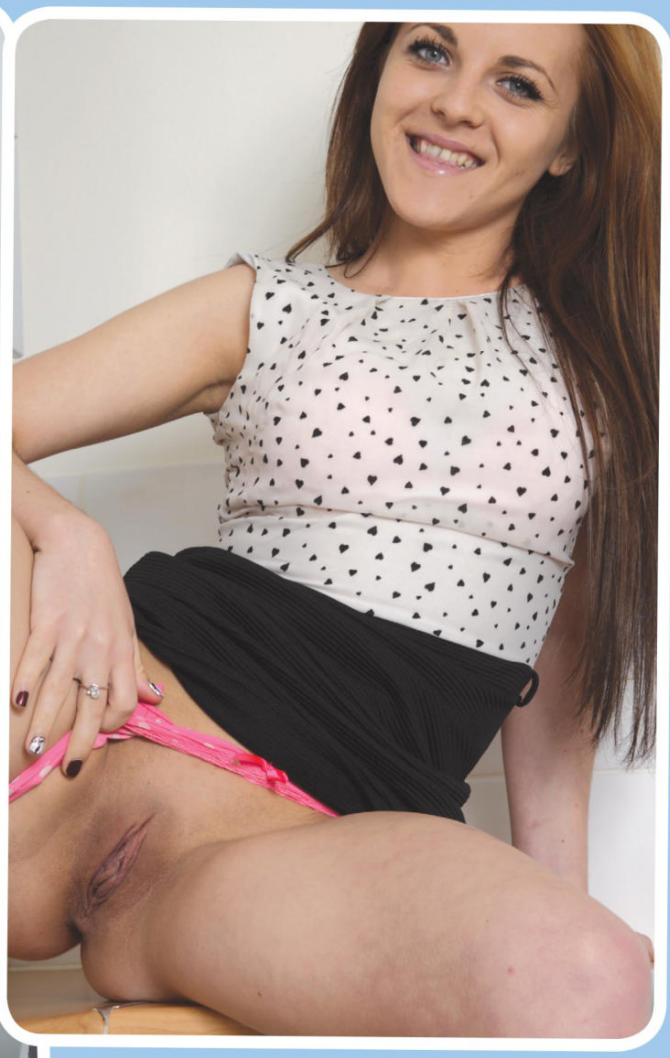
HONEY



Doing the washing up can be so soul-destroying after a Sunday roast that sometimes we prefer just to smear ourselves in mild green Fairy liquid and leave the baking trays till Wednesday – oh, beg your pardon, that's just Anna Maria here, a sexy if slovenly sort from Darlington whose slutty moods take her, well, anywhere. "Life's too short to do the pots and pans, grease me up and let's go! And don't forget to use that scrubbing brush!"

Lou loves being the centre of attention and posing for top-shelf mags and she revealed to us that she pulsated and pumped out whole tumblers of twat-juice when she posed for us last time. "It's just the thought of all those thousands of cocks streaming their mucky contents all over my pictures in your magazine!" the 21-year-old confesses excitedly. "I thought doing it on a car bonnet in a dogging hotspot, or in a club toilet with people cheering me on was horny, but it's nothing compared to posing for your readers!"
